

ADDITIONAL VETERAN'S BENEFITS

INCOME BASED PROGRAMS

Apply Before October 1, 2010

Local Additional Exemption: The West Hartford Town Council adopted a local ordinance providing increased income limits for an additional exemption. The income limits are \$64,500 for a married couple and \$57,300 for a single person. The exemption is an assessment reduction of \$10,000 or 10% of assessed value, whichever is greater.

State Additional Exemption: The maximum income allowed for a married couple is \$39,500 and the maximum income for a single person is \$32,300.

Veterans with 100 percent disability rating and an adjusted gross income of less than \$21,000 for a married couple and \$18,000 for a single person are also eligible to apply for these benefits.

Income requirements: To determine if you meet the income limits, add your adjusted gross income from the 2009 Federal Income Tax filing to the amount you received from Social Security for the calendar year 2009. Married couples must include income for both persons. If you did not file an income tax return for 2009, you must provide copies of all your 1099 forms from all sources of income.

Please Note: **Public Act 06-153**

Veteran's disability payments do not count as income for these programs.
