MAIN OFFICE TOWN HALL

The Main Office oversees the operation of all West Hartford recreational facilities and cemetery operations. The staff is responsible for coordinating all community programming including summer and school vacation and sports camps, after-school enrichment programs for elementary school children, and a wide range of programs for teens and adults. The staff also coordinates park usage for the Youth Sports Leagues, processes hundreds of registrations for summer swim programs and camps, and sells pool passes and Gift Package certificates.

In addition, main office personnel staff the Town Hall Customer Service Desk, providing information and directions to hundreds of walk-ins a week.

The main office also operates the West Hartford Meeting & Conference Center, and plans and produces major town events, including Celebrate West Hartford, the Summer Concert Series and the Labor Day Weekend Concert.

ELMWOOD COMMUNITY CENTER

Celebrate with us as we mark the 25th year of operation as a full service community center. Elmwood Community Center is owned by the Town of West Hartford under the direction of the Leisure Services Department.

Our services include offering a diverse selection of activities for preschool through adults including classes and various special events throughout the year. Our programs are designed to meet the ever changing interests and trends of our community. We encourage residents and nonresidents to explore new interests and make new friends while enjoying this friendly place.

Did you know that Elmwood Community Center offers rental opportunities for community organization, businesses, youth leagues, civic and religious organizations and private citizens? We can host meetings, seminars, parties, showers, anniversary celebrations, rehearsals, religious services and most anything that you may need a facility rental for.

We welcome everyone young and old to come see what we have to offer. Our staff is committed to offering the very best and we welcome any ideas and suggestions you may have to make our facility "your facility."

WESTMOOR PARK

Westmoor Park is an environmental, agricultural and horticultural education center. Its 162 acres include three miles of nature trails (one-half mile of which is handicapped accessible), a demonstration farm and a variety of gardens. The park's main building features seasonal exhibits, a nature discovery room, a greenhouse and a meeting room for classes and community use. Throughout the year, Westmoor Park offers a wide range of programs for schools, groups and the general public. From animal studies to environmental sciences and garden design, the park's programs are both fun and educational. The park also hosts many specially themed events, programs and family activities. Westmoor Park has an active volunteer program for both high school students and adults, and a 4-H Club for elementary through high school students. Participants in these programs serve as a valuable source of information for those interested in learning about the park.
